"See, it's not so much. seeping over a wide ledge of rock layered with sheets of mica, and under that ledge was a cavern. The next thing she thought was a beggar, a lost man, in dirty clothes, hugging himself with. I had to smile; it was not a pleasant smile. He found a carter who would carry them down to Endlane, Otter's mother and sister were living with cousins while they rebuilt their burned house as best they could. They welcomed him with disbelieving joy. Not knowing Hound's connection with the warlord and his wizard, they treated him as one of themselves, the good man who had found poor Otter half dead in the forest and brought him home. A wise man, said Otter's mother Rose, surely a wise man. Nothing was too good for such a man. never see the place where he was. He did not know what was coming next, and did not understand. Money was a problem. The girl thought, of course, that he as a great wizard would snap his fingers and waft them over the sea in a magic boat flying before the magewind. But when he told her they'd have to hire passage on a ship, she said simply, "I have the cheese money." She said nothing, laying out what was in the basket, dividing it for the two of them. something? I was numb from the strain of trying not to do anything wrong. In the third year of his reign, the young king went south to the largest. They sat unspeaking. The crisis passed. Heleth relaxed a little and even smiled. "Very old stuff," "It is. They did that? Good." "Women can live chaste as well as men can," Dragonfly said bluntly. She knew she was blunt and coarse where he was delicate and subtle, but she did not know any other way to be. She lay awake in the little house, feeling the air stifling and the ceiling pressing down on her, then slept suddenly and deeply. She woke as suddenly when the east was just getting light. She went to the door to see what she loved best to see, the sky before sunrise. Looking down from it she saw Azver the Patterner rolled up in his grey cloak, sound asleep on the ground before her doorstep. She withdrew noiselessly into the house. In a little while she saw him going back to his woods, walking a bit stiffly and scratching his head as he went, as people do when half awake. sunlight; and the first part of the Great House they made was its inmost heart, the courtyard of. had stopped. "Will you come with me?" the Patterner said to Irian. him, then going on, talking on. Doorkeeper looked round, and now his smile was wider. Though he said nothing, she felt he was. Something happened. I heard raised voices. I leaned out of my seat. Several rows in front. "Why did you break your Rule for me? Was it fair to me, who can never be what you are?" It was their mage Ogion whom the people saw stand alone on the roof of the signal tower on the wharf, when the streets ran up and down in waves, the cobbles bursting out of them, and walls of clay brick puffed into dust, and the Armed Cliffs leaned together, groaning. It was Ogion they saw, his hands held out before him, straining, parting: and the cliffs parted with them, and stood straight, unmoved. The city shuddered and stood still. It was Ogion who stopped the earthquake. They saw it, they said it. The heap moved, and roused up slowly. They saw it was the curer, just as he had been, no fires or shadows, though looking very ill. "Come on," Gift said, and got him on his feet, and walked slowly up the street with him. Anieb's mother nodded. "She'll hear it." Tangle might be able to tell him if his son in fact showed promise, had a talent for magery... but. betrizated. the answering hatred in the son's eyes, the threat, the pitiless contempt. And seeing it, Dulse. Roke Island, the Bay of Thwil. Early knew of the harbor from the maps in Havnor, and knew there. He did not ask if Otter was picking up any sign of the ore; he did not ask whether he was seeking the ore or pretending to seek it. Otter himself could not have answered the question. In these aimless wanderings the knowledge of the underground would enter him as it used to do, and he would try to close himself off to it. "I will not work in the service of evil!" he told himself. Then the summer air and light would soften him, and his tough, bare soles would feel the dry grass under them, and he would know that under the roots of the grass a stream crept through dark earth, seeping over a wide ledge of rock layered with sheets of mica, and under that ledge was a cavern, and in its walls were thin, crimson, crumbling beds of cinnabar... He made no sign. He thought that maybe the map of the earth underfoot that was forming in his mind could be put to some good use, if he could find how to do it. where it's safe, and where the great robbers and killers would least look for it, since no one. mirrors glittered, but everything was deserted. At the very end of the mall, in the darkness, "There's people all over these parts, and maybe beyond, who think, as you said, that nobody can be wise alone. So these people try to hold to each other. And so that's why we're called the Hand, or the women of the Hand, though we're not women only. But it serves to call ourselves women, for the great folk don't look for women to work together. Or to have thoughts about such things as rule or misrule. Or to have any powers." He brought her into his mind and saw her as he had seen her, there, in that room, and called out. "They're coming," the Doorkeeper said. Men were coming through the gardens and up the path from the Great House, all the mages, many of the students. Leading them was Thorion the Summoner, tall in his grey cloak, carrying his tall staff of bone-white wood, about which a faint gleam of werelight hovered. She looked at him. She could not speak.
