The other members of Red section in the row of seats to the left of him and those of Blue section sitting with Hanlon and Sirocco in the row ahead were strangely silent as they watched the screen where the bright half-disk of Chiron hung in the background: the first real-time view of a planet that some of them had ever seen. Farther back along the cabin, reflecting the planned order of emergence, General Portney was sitting in the center of a group of brass-bedecked senior officers, and behind them Amery Farnhill was tense and dry-lipped among his retinue of civilian diplomatic staff and assistants. In the rear, the SD troops were grim and silent in steel helmets and combat uniforms festooned with grenades, propping their machine rifles and assault cannon between their knees..and holding Celia's handkerchief to her face with the other. The grieving widow paused to look around the room, nodded once to the matron, and moved toward the door. They crossed the lounge and waited while the guard retrieved the luggage, and then the three of them rejoined the two guards outside the suite door. The party then reformed and began descending the stairs. -Leilani pretended puzzlement. "Stop what?".back toward the Windchaser, not with so many altercations likely to be rejoined if they do. Displays of undue familiarity were hardly to be expected between echelon-six and echelon-four personnel, naturally, but even allowing for that, Fallows always found himself in acute discomfort within seconds of entering a room with Merrick in it, especially when nobody else was present. This time he wouldn't let it happen, he had resolved for the umpteenth time back in the corridor. This time he would be rational about how irrational the whole thing was and refused to be intimidated by his own imagination. Merrick had not singled him out as any special object of his disdain. He behaved that way with everybody. It didn't mean anything..his reflection..fate, the more tightly wound she seemed to become. "Okay, what's the point? What's all this UFO stuff..after the dog. Like Earth, it possessed a magnetic field which reversed itself periodically and which had written a coherent story onto the moving seafloors as they spread outward and cooled

from uplifts along oceanic ridges; the complicated tidal cycle induced by Chiron's twin satellites had been unraveled to yield the story of previous epochs of periodic inundation by the oceans; and analysis of the planet's seismic patterns had mapped its network of active transform faults and subduction zones, along which most of its volcanoes and earthquake belts were located.. "I wouldn't know, but it wouldn't surprise me," Celia answered. "I just know the true story about Howard because. . because..". "Classically, you can't go anywhere. But I'm pretty certain that when 'you find your theories giving singularities, infinities, and results that don't make sense, it's a sure sign that you're trying to push your laws past a phase-change and into a region where they're not valid. I think that's what we're up against.". They stopped by a small open square, enclosed on three sides by buildings with striped canopies over their many balconies and flowery windows. A preacher from the Mayflower 11, evidently anxious to make up for twenty years of lost time, was belaboring a mixed audience of Chironians from the corner of a raised wall surrounding a bank of shrubbery. He seemed especially incensed by the evidence of adolescent parenthood around him, existing and visibly imminent. The Chironians appeared curious but skeptical. Certainly there were no signs of any violent evangelical revivals about to take place, or of dramatic instant conversions among the listeners.. "On your way?" lean asked Pernak.. ear-to-ear electrocution, because that'll leave me alone with my pseudofather.. "You shouldn't stray from right here, son. There's all kinds of people in the world, and some you don't..kind to imagine such a thing..". Fulmire looked uneasy but in the end was forced to nod his agreement. "But such a situation could only come about if an emergency condition had already been in force to begin with," he warned. "It could not be applied in any way to the present circumstances."
