"How call'st thou this thy dress?" quoth we, and she replied

A word wherein the wise a lesson well might trace; THE MERCHANT OF CAIRO AND THE FAVOURITE OF THE KHALIF EL MAMOUN EL HAKIM BI AMRILLAH. (180). Man whose Caution was the Cause of his Death, The, i. 291.. Voyage of Sindbad the Sailor, The Seventh, iii. 224.. There was once an old man renowned for roguery, and he went, he and his mates, to one of the markets and stole thence a parcel of stuffs. Then they separated and returned each to his quarter. Awhile after this, the old man assembled a company of his fellows and one of them pulled out a costly piece of stuff and said, "Will any one of you sell this piece of stuff in its own market whence it was stolen, that we may confess his [pre-eminence in] sharpening?" Quoth the old man, "I will;" and they said, "Go, and God the Most High prosper thee!". Then said she to him, "O chief of the kings, the wise say, 'The kingship is a building, whereof the troops are the foundation,' and whenas the foundation is strong, the building endureth; wherefore it behoveth the king to strengthen the foundation, for that they say, 'Whenas the foundation is weak, the building falleth.' On like wise it behoveth the king to care for his troops and do justice among his subjects, even as the owner of the garden careth for his trees and cutteth away the weeds that have no profit in them; and so it behoveth the king to look into the affairs of his subjects and fend off oppression from them. As for thee, O king," continued Shehrzad, "it behoveth thee that thy vizier be virtuous and versed in the knowledge of the affairs of the folk and the common people; and indeed God the Most High hath named his name (166) in the history of Moses (on whom be peace!) whenas He saith, [Quoth Moses] 'And make me a vizier of my people, Aaron [my brother]. (167) Could a vizier have been dispensed withal, Moses ben Imran had been worthier [than any of this dispensation]. (168). Then they agreed upon a device between them, to wit, that they should feign an occasion in their own country, under pretext that she had there wealth buried from the time of her husband Melik Shah and that none knew of it but this eunuch who was with her, wherefore it behoved that he should go and fetch it. So she acquainted the king her husband with this and sought of him leave for the eunuch to go: and the king granted him permission for the journey and charged him cast about for a device, lest any get wind of him. Accordingly, the eunuch disguised himself as a merchant and repairing to Belehwan's city, began to enquire concerning the youth's case; whereupon they told him that he had been prisoned in an underground dungeon and that his uncle had released him and dispatched him to such a place, where they had slain him. When the eunuch heard this, it was grievous to him and his breast was straitened and he knew not what he should do..? ? ? ? b. Bakoun's Story of the Hashish-Eater cxliii. The folk flocked about them, to divert themselves with watching the play, and they called the bystanders to witness of the wager and fell a-playing. El Abbas forbore the merchant, so he might lead him on, and procrastinated with him awhile; and the merchant won and took of him the hundred dinars. Then said the prince, "Wilt thou play another game?" And the other answered, "O youth, I will not play again, except it be for a thousand dinars." Quoth the prince, "Whatsoever thou stakest, I will match thy stake with the like thereof." So the merchant brought out a thousand dinars and the prince covered them with other thousand. Then they fell a-playing, but El Abbas was not long with him ere he beat him in the square of the elephant, (77) nor did he leave to do thus till he had beaten him four times and won of him four thousand dinars. So the vizier went in to his daughter and said to her, 'O my daughter, the king seeketh thee of me and desireth to marry thee. 'O my father,' answered she 'I desire not a husband and if thou wilt marry me, marry me not but with one who shall be below me in rank and I nobler than he, so he may not turn to other than myself nor lift his eyes upon me, and marry me not to one who is nobler than I, lest I be with him as a slave-girl and a serving-woman.' So the vizier returned to the king and acquainted him with that which his daughter had said, whereat he redoubled in desire and love-liking for her and said to her father, 'An thou marry me not to her of good grace, I will take her by force in thy despite.' The vizier again betook himself to his daughter and repeated to her the king's words, but she replied, 'I desire not a husband.' So he returned to the king and told him what she said, and he was wroth and threatened the vizier, whereupon the latter took his daughter and fled with her.. The absent ones' harbinger came us unto, iii. 153.. The Breslau Edition, which was printed from a Manuscript of the Book of the Thousand Nights and One Night alleged to have been furnished to the Editor by a learned Arab of Tunis, whom he styles "Herr M. Annaggar" (Qu?re En Nejjar, the Carpenter), the lacunes found in which were supplemented from various other MS. sources indicated by Silvestre de Sacy and other eminent Orientalists, is edited with a perfection of badness to which only German scholars (at once the best and worst editors in the world) can attain. The original Editor, Dr. Maximilian Habicht, was during the period (1825- 1839) of publication of the first eight Volumes, engaged in continual and somewhat acrimonious (223) controversy concerning the details of his editorship with Prof. H. L. Fleischer, who, after his death, undertook the completion of his task and approved himself a worthy successor of his whilom adversary, his laches and shortcomings in the matter of revision and collation of the text being at least equal in extent and gravity to those of his predecessor, whilst he omitted the one valuable feature of the latter's work, namely, the glossary of Arabic words, not occurring in the dictionaries, appended to the earlier volumes.. Thou that the dupe of yearning art, how many a melting wight, iii. 86..? ? ? ? a. Story of the Chief of the New Cairo Police cccxliii. The vizier obeyed the king's commandment and going out from before him, [returned to his own house. When it was night, he took his elder daughter and carried her up to the king; and when she came into his presence,] she wept; whereupon quoth he to her, 'What causeth thee weep? Indeed, it was thou who willedst this.' And she answered, saying, 'I weep not but for longing after my little sister; for that, since we grew up, I and she, I have never been parted from her till this day; so, if it please the king to send for her, that I may look on her and take my fill of her till the morning, this were bounty and kindness of the king.'. Numan (En) and the Arab of the Benou Tai, i. 203.. Seventh Officer's Story, The, ii. 150.. EL MELIK EZ ZAHIR RUKNEDDIN BIBERS EL BUNUDDARI AND THE SIXTEEN OFFICERS OF POLICE. (83).? ? ? ? e. The Story of the Portress xviii.? ? ? ? p. The Foxes and the Wolf dccccxi. Now in that town was a man of good breeding and large generosity, a merchant of condition, young of years and bright of face, who had come to that town from his own country with great store of merchandise and wealth galore. He took up his abode therein and the place was pleasant to him and he was lavish in expenditure, so that he came to the end of all his good and there remained with him nothing save that which was upon him of raiment. So he left the lodging wherein he had abidden in the days of his affluence, after he had wasted (260) that which was therein of furniture, and fell to harbouring in the houses of the townfolk from night to night.. When she had made an end of her song and laid down the lute, Ishac looked fixedly on her, then took her hand and offered to kiss it; but she snatched it from him and said to him, 'Allah, O my lord, do not that!' Quoth he, 'Be silent. By Allah, I had said that there was not in the world the like of me; but now I have found my dinar (180) in the craft but a danic, (181) "for thou art, beyond comparison or approximation or reckoning, more excellent of skill than I! This very day will I carry thee up to the Commander of the Faithful Haroun er Reshid, and whenas his glance lighteth on thee, thou wilt become a princess of womankind. So, Allah, Allah upon thee, O my lady, whenas thou becomest of the household of the Commander of the Faithful, do not thou forget me!' And she

replied, saying, 'Allah, O my lord, thou art the source of my fortunes and in thee is my heart fortified.' So he took her hand and made a covenant with her of this and she swore to him that she would not forget him..I did as she bade me and when I returned, she said to me, "Sit, so I may relate to thee yonder fellow's case, lest thou be affrighted at that which hath befallen him. Thou must know that I am the Khalif's favourite, nor is there any more in honour with him than I; and I am allowed six nights in each month, wherein I go down [into the city and take up my abode] with my [former] mistress, who reared me; and when I go down thus, I dispose of myself as I will. Now this young man was the son of neighbours of my mistress, when I was a virgin girl. One day, my mistress was [engaged] with the chief [officers] of the palace and I was alone in the house. When the night came on, I went up to the roof, so I might sleep there, and before I was aware, this youth came up from the street and falling upon me, knelt on my breast. He was armed with a poniard and I could not win free of him till he had done away my maidenhead by force; and this sufficed him not, but he must needs disgrace me with all the folk, for, as often as I came down from the palace, he would lie in wait for me by the way and swive me against my will and follow me whithersoever I went. This, then, is my story, and as for thee, thou pleasest me and thy patience pleaseth me and thy good faith and loyal service, and there abideth with me none dearer than thou." Then I lay with her that night and there befell what befell between us till the morning, when she gave me wealth galore and fell to coming to the pavilion six days in every month..As an instance of the extreme looseness with which the book was edited, I may observe that the first four Vols. were published without tables of contents, which were afterwards appended en bloc to the fifth Volume. The state of corruption and incoherence in which the printed Text was placed before the public by the two learned Editors, who were responsible for its production, is such as might well drive a translator to despair: the uncorrected errors of the press would alone fill a volume and the verse especially is so corrupt that one of the most laborious of English Arabic scholars pronounced its translation a hopeless task. I have not, however, in any single instance, allowed myself to be discouraged by the difficulties presented by the condition of the text, but have, to the best of my ability, rendered into English, without abridgment or retrenchment, the whole of the tales, prose and verse, contained in the Breslau Edition, which are not found in those of Calcutta (1839-42) and Boulac. In this somewhat ungrateful task, I have again had the cordial assistance of Captain Burton, who has (as in the case of my "Book of the Thousand Nights and One Night") been kind enough to look over the proofs of my translation and to whom I beg once more to tender my warmest thanks.
