That is amongst the outcomes of how mcdougal could influence your readers out of each theory coded in your book. And this ebook is had to read , some times detail with

detail, it may be so perfect for both you and your entire life. Well-ground my polished sword is and thin and keen of edge And trenchant, eke, for smiting and long my steel-barbed spear. O Amir of justice, be kind to thy subjects; For justice, indeed, of thy nature's a trait. g. The Crows and the Hawk dcxiii. My place is the place of the fillet and pearls And the fair are most featly with jasmine bedight. When he had made an end of his speech, his wife came forward forthright and told her story, from first to last, how her mother bought him from the cook's partner and the people of the kingdom came under his rule; nor did she leave telling till she came, in her story, to that city [and acquainted the queen with the manner of her falling in with her lost husband]. When she had made an end of her story, the cook exclaimed, 'Alack, what impudent liars there be! By Allah, O king, this woman lieth against me, for this youth is my rearing (75) and he was born of one of my slave-girls. He fled from me and I found him again. Some misconception seems to exist as to the story of Seif dhoul Yezen, a fragment of which was translated by Dr. Habicht and included, with a number of tales from the Breslau Text, in the fourteenth Vol. of the extraordinary gallimaufry published by him in 1824-5 as a complete translation of the 1001 Nights (224) and it has, under the mistaken impression that this long but interesting Romance forms part of the Book of the Thousand Nights and One Night, been suggested that a complete translation of it should be included in the present publication. The Romance in question does not, however, in any way, belong to my original and forms no part of the Breslau Text, as will be at once apparent from an examination of the Table of Contents of the latter (see post, p. 261), by which all the Nights are accounted for. Dr. Habicht himself tells us, in his preface to the first Vol. of the Arabic Text, that he found the fragment (undivided into Nights) at the end of the fifth Volume of his MS., into which other detached tales, having no connection with the Nights, appear to have also found their way. This being the case, it is evident that the Romance of Seif dhoul Yezen in no way comes within the scope of the present work and would (apart from the fact that its length would far overpass my limits) be a manifestly improper addition to it. It is, however, possible that, should I come across a suitable text of the work, I may make it the subject of a separate publication; but this is, of course, a matter for future consideration. All those who were present laughed at her mockery of Iblis and marvelled at the goodliness of her observation (209) and her readiness in improvising verses; whilst the Sheikh himself rejoiced and said to her, 'O Tuhfet es Sudour, the night is gone; so arise and rest thyself ere the day; and to-morrow all shall be well.' Then all the kings of the Jinn departed, together with those who were present of guards, and Tuhfeh abode alone, pondering the affair of Er Reshid and bethinking her of how it was with him, after her, and of that which had betided him for her loss, till the dawn gleamed, when she arose and walked in the palace. Presently she saw a handsome door; so she opened it and found herself in a garden goodlier than the first, never saw eyes a fairer than it. When she beheld this garden, delight moved her and she called to mind her lord Er Reshid and wept sore, saying, 'I crave of the bounty of God the Most High that my return to him and to my palace and my home may be near at hand!'. Khalif, El Mamoun El Hakim bi Amrillah, The Merchant of Cairo and the Favourite of the, iii. 171. [Then they went up to the palace and] the interpreter went in to Selma and said to her, 'O king of the age, here is an Indian woman, who cometh from the land of Hind, and she hath laid hands on a young man, a servant, avouching that he is her husband, who hath been missing these two years, and she came not hither but on his account, and indeed these many days she hath done almsdeeds [in the city]. And here is a man, a cook, who avoucheth that the young man is his slave.' When the queen heard these words, her entrails quivered and she groaned from an aching heart and called to mind her brother and that which had betided him. Then she bade those who were about her bring them before her, and when she saw them, she knew her brother and was like to cry aloud; but her reason restrained her; yet could she not contain herself, but she must needs rise up and sit down. However, she enforced herself unto patience and said to them, 'Let each of you acquaint me with his case.' Would he were not, who sundered us upon the parting-day! How many a body hath he slain, how many a bone laid bare! Great in delight, beloved mine, your presence is with me; Yet greater still the miseries of parting and its bane. Certain husbandmen once made complaint to David (on whom be peace!) against certain owners of sheep, whose flocks had fallen upon their crops by night and devoured them, and he bade value the crops [and that the shepherds should make good the amount]. But Solomon (on whom be peace!) rose and said, "Nay, but let the sheep be delivered to the husbandmen, so they may take their milk and wool, till they have repaid themselves the value of their crops; then let the sheep return to their owners." So David withdrew his own ordinance and caused execute that of Solomon; yet was David no oppressor; but Solomon's judgment was more pertinent and he showed himself therein better versed in jurisprudence.' (245). Merchant and the King, The Old Woman, the, i. 265. Assemble, ye people of passion, I pray, iii. 31. Woman (The Old) and the Draper's Wife, ii. 55. Presently, it chanced that an enemy attacked King Khedidan; so he sent out his troops to him and made Bekhtzeman head of the army. Then they went forth to the field and Khedidan also came forth and ranged his troops and took the spear and sallied out in person and fought a sore battle and overcame his enemy, who fled, he and his troops, ignominiously. When the king and his army returned in triumph, Bekhtzeman said to him, 'Harkye, O king! Meseemeth this is a strange thing of thee that thou art compassed about with this vast army, yet dost thou apply thyself in person to battle and adventrest thyself.' Quoth the king, 'Dost thou call thyself a cavalier and a man of learning and deemest that victory is in abundance of troops?' 'Ay,' answered Bekhtzeman; 'that is indeed my belief.' And Khedidan said, 'By Allah, then, thou errest in this thy belief! Woe and again woe to him whose trust is in other than God! Indeed, this army is appointed only for adornment and majesty, and victory is from God alone. I too, O Bekhtzeman, believed aforetime that victory was in the multitude of men, and an enemy came out against me with eight hundred men, whilst I had eight hundred thousand. I trusted in the number of my troops, whilst mine enemy trusted in God; so he defeated me and routed me and I was put to a shameful flight and hid myself in one of the mountains, where I met with a recluse, [who had] withdrawn [himself from the world]. So I joined myself to him and complained to him of my case and acquainted him with all that had befallen me. Quoth he, "Knowest thou why this befell thee and thou wast defeated?" "I know not," answered I, and he said, "Because thou putttest thy trust in the multitude of thy troops and reliedst not upon God the Most High. Hadst thou put thy trust in God and believed in Him that it is He [alone] who advantageth and endamageth thee, thine enemy had not availed to cope with thee. Return unto God." So I returned to myself and repented at the hands of the solitary, who said to me, "Turn back with what remaineth to thee of troops and confront thine enemies, for, if their intents be changed from God, thou wilt overcome them, wert thou alone." When I heard these words, I put my trust in God the Most High, and gathering together those who remained with me, fell upon mine enemies at unawares in the night. They deemed us many and fled on the shamefullest wise, whereupon I entered my city and repossessed myself of my place by the might of God the Most High, and now I fight not but [trusting] in His aid.' Fair patience practise, for thereon still followeth content, iii. 116. When it was eventide, the king summoned the vizier and bade him

tell the [promised] story, "Harkening and obedience," answered he. "Know, O king, that.46. The Sharper of Alexandria and the Master of Police cccxli. ? ? ? ? And deemedst me a waif, a homeless good-for-nought, A slave-begotten brat, a wanton, witless wight..The company marvelled at this story and the ninth officer came forward and said, 'I will tell you a right goodly story I heard at a wedding..Then he folded the letter and committed it to the nurse and gave her five hundred dinars, saying, "Accept this from me, for that indeed thou hast wearied thyself between us." "By Allah, O my lord," answered she, "my desire is to bring about union between you, though I lose that which my right hand possesseth." And he said, "May God the Most High requite thee with good!" Then she carried the letter to Mariyeh and said to her, "Take this letter; belike it may be the end of the correspondence." So she took it and breaking it open, read it, and when she had made an end of it, she turned to the nurse and said to her, "This fellow putteth off lies upon me and avoucheth unto me that he hath cities and horsemen and footmen at his command and submitting to his allegiance; and he seeketh of me that which he shall not obtain; for thou knowest, O nurse, that kings' sons have sought me in marriage, with presents and rarities; but I have paid no heed unto aught of this; so how shall I accept of this fellow, who is the fool (90) of his time and possesseth nought but two caskets of rubies, which he gave to my father, and indeed he hath taken up his abode in the house of El Ghitrif and abideth without silver or gold? Wherefore, I conjure thee by Allah, O nurse, return to him and cut off his hope of me." There was once, in the city of Baghdad, a man, [by name El Merouzi,] (30) who was a sharper and plagued (31) the folk with his knavish tricks, and he was renowned in all quarters [for roguery]. [He went out one day], carrying a load of sheep's dung, and took an oath that he would not return to his lodging till he had sold it at the price of raisins. Now there was in another city a second sharper, [by name Er Razi,] (32) one of its people, who [went out the same day], bearing a load of goat's dung, which he had sworn that he would not sell but at the price of dried figs..? ? ? ? Fain, fain would I forget thy love. Alack, my heart denies To be consoled, and 'gainst thy wrath nought standeth me in stead..A certain assessor was one day taken with a woman and much people assembled before his house and the lieutenant of police and his men came to him and knocked at the door. The assessor looked out of window and seeing the folk, said, "What aileth you?" Quoth they, "[Come,] speak with the lieutenant of police such an one." So he came down and they said to him, "Bring forth the woman that is with thee." Quoth he, "Are ye not ashamed? How shall I bring forth my wife?" And they said, "Is she thy wife by contract (118) or without contract?" ["By contract,"] answered he, "according to the Book of God and the Institutes of His Apostle." "Where is the contract?" asked they; and he replied, "Her contract is in her mother's house." Quoth they, "Arise and come down and show us the contract." And he said to them, "Go from her way, so she may come forth." Now, as soon as he got wind of the matter, he had written the contract and fashioned it after her fashion, to suit with the case, and written therein the names of certain of his friends as witnesses and forged the signatures of the drawer and the wife's next friend and made it a contract of marriage with his wife and appointed it for an excuse. (119) So, when the woman was about to go out from him, he gave her the contract that he had forged, and the Amir sent with her a servant of his, to bring her to her father. So the servant went with her and when she came to her door, she said to him, "I will not return to the citation of the Amir; but let the witnesses (120) present themselves and take my contract." ? ? ? ? d. The Fourth Voyage of Sindbad the Sailor. ? ? ? ? g. The King's Son and the Ogress dlxxxi. When her mother went out from her, Mariyeh fell to chiding the damsel for that which she had done and said to her, "Verily, death were leifer to me than this; so look thou discover not my affair to any and I charge thee return not to the like of this fashion." Then she swooned away and lay awhile without life, and when she came to herself, she saw Shefikeh weeping over her; whereupon she took the necklace from her neck and the mantle from her body and said to the damsel, "Lay them in a napkin of damask and carry them to El Abbas and acquaint him with that wherein I am for the persistence of estrangement and the effects of forbiddance." So Shefikeh took them and carried them to El Abbas, whom she found in act to depart, for that he was about to take horse for Yemen. She went in to him and gave him the napkin and that which was therein, and when he opened it and saw what it contained, to wit, the mantle and the necklace, his vexation was excessive and his eyes were distorted, [so that the whites thereof appeared] and his rage was manifest in them.. "O king," answered the youth, "there is no great forgiveness save in case of a great crime, for according as the offence is great, in so much is forgiveness magnified and it is no dishonour to the like of thee if he spare the like of me. Verily, Allah knoweth that there is no fault in me, and indeed He commandeth unto clemency, and no clemency is greater than that which spareth from slaughter, for that thy forgiveness of him whom thou purposest to put to death is as the quickening of a dead man; and whoso doth evil shall find it before him, even as it was with King Bihkerd." "And what is the story of King Bihkerd?" asked the king. "O king," answered the youth,
