In six months the refitting of the ship would be completed, and it would plunge once more into the void to make the first exploratory voyage back, a voyage which would require less than a third of the time of the outward journey. Lechat would be the Mission Director, Follows the Chief of Engineering, and Adam would head one of the scientific teams, Colman would be returning 'too, as an Engineering officer; Kath would fulfill her dream of seeing Earth; and Alex would be about Jay's age by the time they returned to Chiron. Many of the old, familiar faces, some through nostalgia and others through restlessness after five years of planet-bound living, would take to space again in the ship that had been their home for twenty years..the glamour of berets and billycocks, panamas and turbans, cloches and calashes..Bernard sighed. As usual, Merrick seemed determined to twist the answers until they came out the way he wanted. "Of course not," Bernard replied. "But I think people are exaggerating the situation. That incident was not representative of what we should expect. The Chironians act as they're treated. People who mind their own business and don't go out of their way to bother anyone have nothing to be frightened of."..Five minutes later Swyley and Malloy had gone into conference in a corner with Celia and Lechat, and Colman stood apart with Sirocco and Hanlon, discussing tactical details. "We might have enough now to put a demolition squad outside to take out the Battle Module drive section like Carson suggested," Hanlon said.
