What if half the people around here thought so too, and the others didn't? Who decides? How would you resolve something like that?". Ten years went by while North America and Europe completed their recovery, and the major Eastern powers settled their rivalries. At the end of that period New America extended from Alaska to Panama, Greater Europe had incorporated Russia, Estonia, Latvia, and the Ukraine as separate nations, and China had come to dominate an Eastern Asiatic Federation stretching from Pakistan to the Bering Strait. All three of the major powers had commenced programs to reexpand into space at more or less the same time, and since each claimed a legitimate interest in the colony on Chiron and mistrusted the other two, each embarked on the construction of a starship with the aim of getting there first to protect its own against interference from the others.. firmly fixed in carved-out chunks of jawbone, gums attached. Nevertheless, though just a boy, he is remarkable. The crudeness of what she heard lulled to fire a blush in her. If she harbored anger, she hid it. Bernard decided to play along to see what happened. "I'm sorry-how do you mean, last time? I must be missing something." Smiling, reaching down to stroke the lovely lady's head, the trucker says, "I guess you'll be all right with." If you mean systems of beliefs based, despite their superficial appearances to the contrary, on morbid obsessions with death, hatred, decay, dehumanization, and humiliation, then the answer to your question is no," she said, looking at Colman. She glanced at her grandchildren. "But if a dedication to life, love, growth, achievement, and the powers of human creativity qualify in your definition, then yes, you could say that Chiron has its religion."
