She lifted her head..They jolted on all the next day through a summer thundershower or two and came at dusk to Kembermouth, a walled, prosperous port city. They left the carter to his master's business and walked down to find an inn near the docks. Dragonfly looked about at the sights of the city in a silence that might have been awe or disapproval or mere stolidity. "This is a nice little town," Ivory said, "but the only city in the world is Havnor.. "That's Roke Knoll, lad," the weatherworker said to Dragonfly, who stood beside him at the rail..illusions. Who can blame them? There's so little in most lives that's beautiful or worthy..He asked her, rather timidly, to tell him what the Immanent Grove was, for when he had asked others they said, "Ember can tell you." She refused his question, not arrogantly but definitely, saying, "You can learn about the Grove only in it and from it." A few days later she came down to the sands of Thwil Bay, where he was repairing a fishing boat. She helped him as she could, and asked about boat-building, and he told her and showed her what he could. It was a peaceful afternoon, but after it she went off in her abrupt way. He felt some awe of her; she was incalculable. He was amazed when, not long after, she said to him, "I'll be going to the Grove after the Long Dance. Come if you like..to Roke and find out who I am..looked at me, and reddened terribly..Her eyes were shining and attentive.. "You take care," the witch said, grim. He stood looking into the poultry yard, considering. The fox had been visiting the orchard lately. But the birds would have to forage if he stayed away. They must take their chances, like everyone else. He opened their gate a little. Though the rain was no more than a misty drizzle now, they stayed hunched up under the henhouse eaves, disconsolate. The King had not crowed once this morning..people, and put a stop to this rubbishy talk, if she could..said, "I can't do it by myself..None of the mages answered him. In the silence, the men with him murmured, and a voice among them said, "Let us have the witch..they blinked out, one by one..In the Archipelago, men built ships and women built houses, that was the custom; but in building a great structure women let men work with them, not having the miners' superstitions that kept men out of the mines, or the shipwrights' that forbade women to watch a keel laid. So both men and women of great power raised the Great House on Roke. Its cornerstone was set on a hilltop above Thwil Town, near the Grove and looking to the Knoll. Its walls were built not only of stone and wood, but founded deep on magic and made strong with spells.. "Maybe things are, for women. Dulse.As he came down the last slope of the mountain, he had seen houses here and there out in the marshlands, a village not far away. He had thought he was on the way to the village, but had taken a wrong turning somewhere. Tall reeds rose up close beside the paths, so that if a light shone anywhere he could not see it. Water chuckled softly somewhere near his feet. He had used up his shoes walking round Andanden on the cruel roads of black lava. The soles were worn right through, and his feet ached with the icy damp of the marsh paths.. "I'll stay here if I may," he said in that princely way, with his teeth chattering, holding on to the doorjamb to keep on his feet..lands of the Inmost Sea. What he sought might be there.
