He allowed people of the school to study them, so long as they showed them, and him, due respect..Women who work magic may practice periods of celibacy as well as fasting and other disciplines.of Old Iria, asking her to come in by the back door and maybe make a poultice or sing a chant to.She got to work scraping down the inner wall of the house, readying it to plaster. But before the sun was in the windows, there was a knock at her open door. Outside was the man she had thought was a gardener, the Master Herbal, looking solid and stolid, like a brown ox, beside the gaunt, grim-faced old Namer..He came through the halls and stone corridors to the inmost place, the marble-paved courtyard of the fountain, where the tree Elehal had planted now stood tall, its berries reddening..Of late, entering always deeper into the mysteries of a certain lore-book brought back from the Isle of Way by one of Losen's raiders, Gelluk had become indifferent to most of the arts he had learned or had discovered for himself. The book convinced him that all of them were only shadows or hints of a greater mastery. As one true element controlled all substances, one true knowledge contained all others. Approaching ever closer to that mastery, he understood that the crafts of wizards were as crude and false as Losen's title and rule. When he was one with the true element, he would be the one true king. Alone among men he would speak the words of making and unmaking. He would have dragons for his dogs.. "Oh, it's you who have it to spare, sir. We're poor folk here. And ignorant," she said, with a flash of her eyes, and led on..The Summoner looked up at Irian. Slowly he raised his arms and the white staff in the invocation.brother, go wash out that cut, and change your shirt. You stink of the pothouse." And she went."Do you?" asked the man in the red tunic, smiling a little..Irioth's head drooped as if in utter weariness. All tension and passion had gone out of his body. But he looked up, not at Ged but at Gift, silent in the hearth corner..Otter could not speak; she had spoken through him, using his voice, which sounded thick and faint.."I'm not a col. . ." I began. She leaned on the table with her elbows and moved her hand."If you share his power he won't harm you. To fear a power, to fight a power,

is very dangerous. To love power and to share it is the royal way. Look. Watch what I do." Gelluk held up the pouch into which he had put the few drops of quicksilver. His eye always on Otter's eye, he unsealed the pouch, lifted it to his lips, and drank its contents. He opened his smiling mouth so that Otter could see the silver drops pooling on his tongue before he swallowed..then at her again..so much before. Could they be flying columns? People were hurrying toward it from all."Ran away! Why?". "Yes, but not completely. Maybe a little. But surely you didn't think that I. . .". The clouds darkened. Rain passed through the little valley, falling on the dirt and the grass.. "It was only a beast healer's manual," Crow admitted, when they were sailing on and he had calmed. Dulse had seen young men weep for joy at the birth of a first son. He had seen poor men pay witches a year's earnings for the promise of a healthy boy, and a rich man touch his gold-bedizened baby's face and whisper, adoring, "My immortality!" He had seen men beat their sons, bully and humiliate them, spite and thwart them, hating the death they saw in them. He had seen the answering hatred in the son's eyes, the threat, the pitiless contempt. And seeing it, Dulse knew why he had never sought reconciliation with his father..Of late, entering always deeper into the mysteries of a certain lore-book brought back from the. "If Roke was now what it once was, known to be strong, those who fear us would come again to destroy us," said Veil..Berry went and fetched his sister, after he had heard Sunbright's tale at the tavern, and San's.gift, you know.".placating, frightened voice, Rose said, "It came so ...". "You might have a bit of linen, though, mistress? woven, or thread? Linen of Pody is the best-so I've heard as far as Havnor. And I can tell the quality of what you're spinning. A beautiful thread it is." Crow watched his companion with amusement and some disdain; he himself could bargain for a book very shrewdly, but nattering with common women about buttons and thread was beneath him. "Let me just open this up," Tern was saying as he spread his pack out on the cobbles, and the women and the dirty, timid children drew closer to see the wonders he would show them. "Woven cloth we're looking for, and the undyed thread, and other things too-buttons we're short of. If you had any of horn or bone, maybe? I'd trade one of these little velvet caps here for three or four buttons. Or one of these rolls of ribbon; look at the color of it. Beautiful with your hair, mistress! Or paper, or books. Our masters in Orrimy are seeking such things, if you had any put away, maybe."
