sharp hiss that announced the passage, in the street, of battleground of hereditary feudal princes, governments of small islands and city-states, and. The tall woman smiled a little. "My sister has never taught a man before" she said. She glanced at flowers. I put my hand to my nostrils. It smelled like a thousand scented soaps at once. "I told him," Golden said, "that I had seen you, with a turn of your hand and a single word, change a wooden carving of a bird into a bird that flew up and sang. Pre seen you make a light glow in thin air. You didn't know I was watching. I've watched and said nothing for a long time. I didn't want to make too much of mere childish play. But I believe you have a gift, perhaps a great gift. When I told Master Hemlock what I'd seen you do, he agreed with me. He said that you may go study with him in South Port for a year, or perhaps longer." .after all, her fault. Very few people ever spoke to Gelluk unless he compelled them to. The spells by which he silenced, "On the Isle of the Wise." He recognized Hound, though he could not sit up and could barely speak. The old man put his own jacket around his shoulders and gave him water from his flask. Then he squatted beside him, his back against the immense trunk of the oak, and stared into the forest for a while. It was late morning, hot, the summer sunlight filtering through the leaves in a thousand shades of green. A squirrel scolded, far up in the oak, and a jay replied. Hound scratched his neck and sighed. hatch. The mites were bothering her, and she looked scruffy and jaded. He said a few words against. When Diamond put the lists of names to tunes he made up, he learned them much faster; but then the tune would come as part of the name, and he would sing out so clearly-- for his voice had re-established itself as a strong, dark tenor -- that Hemlock winced. Hemlock's was a very silent house. family, on which was engraved a unique and powerful True Rune. the ragged shirt and saying nothing. At last he said he must go on, and the children drifted away. firmly as they might wish, and always against opposition; for mages came from other islands and. A carter walking at his mule's head with a load of oakwood came upon them and took them both to. Shaken by the intensity of that will, Tern straightened up and drew a deep breath. He looked round at the girl, Dory. She did not return his gaze, watching her mother with stolid, sullen grief. Only after the woman sank into sleep did Dory move, going to help Rush, who as a friend and neighbor had made herself useful and was gathering up blood-soaked cloths scattered by the bed. Marsh. I think I came the right way. ". All day he stayed near the Otter's House, keeping watch on Irian, making her eat a little with him. She came to the house, but when they had eaten she went back to her place on the streambank and sat there motionless. And he too felt a lethargy in his own body and mind, a stupidity, which he fought against but could not shake off. He thought of the Summoner's eyes, and then it was that he felt cold, cold through, though he was sitting in the full heat of the summer's day. We are ruled by the dead, he thought. The thought would not leave him. gleamed below, on either side opened passageways in buildings; beneath a tree with blue leaves -. "Yaved!". Early looked at him once. Hound's mouth snapped shut and stayed shut. have anyone. It's strange. . . and a powerful mage when he faced the dragon Orm. "Ah," San said, coming to the door, and hemmed a bit. "No need, Master Otak. This here is Master Sunbright, come up to deal with the murrain. He's cured beasts for me before, the hoof rot and all. Being as how you have all one man can do with Alder's beeves, you see..." .their courtesy but the words would not come. She nodded stiffly to them, turned round, and strode. Sometimes the word used is alherath, "true-word-beings," "those who say true words," speakers of. After Golden had gone out, she found her son in the counting-room going through ledgers. She. with a strap. When he got the lathered, gasping mare to stand still, he saw the girl as beautiful. Next day he had Licky send him the boy. He looked forward to seeing him, to being kind to him, teaching him, petting him a bit as he had done yesterday. He sat down with him in the sun. Gelluk was fond of children and animals. He liked all beautiful things. It was pleasant to have a young creature about. Otter's uncomprehending awe was endearing, as was his uncomprehended strength. Slaves were wearisome with their weakness and trickery and their ugly, sick bodies. Of course Otter was his slave, but the boy need not know it. They could be teacher and prentice. But prentices were faithless, Gelluk thought, reminded of his prentice Early, too clever by half, whom he must remember to control more strictly. Father and son, that's what he and Otter could be. He would have the boy call him Father. He recalled that he had intended to find out his true name. There were various ways of doing it, but the simplest, since the boy was already under his control, was to ask him. "What is your name?" he said, watching Otter intently. misunderstood and nearly flattened itself out like a bed. I jumped up. This was idiotic! More. furiously. She was kneeling at the horse's leg, looking up at Ivory who was looking down at her. "Nobody loves a sorcerer," said the Archmage. "Well, Irioth! Cover: "Why?" She was surprised. So for a half-month or more of the hot days of summer, Irian slept in the Otter's House, which was a peaceful one, and ate what the Master Patterner brought her in his basket - eggs, cheese, greens, fruit, smoked mutton - and went with him every afternoon into the grove of high trees, where the paths seemed never to be quite where she remembered them, and often led on far beyond what seemed the confines of the wood. They walked there in silence, and spoke seldom when they rested. The mage was a quiet man. Though there was a hint of fierceness in him, he never showed it to her, and his presence was as easy as that of the trees and the rare birds and four-legged creatures of the Grove. As he had said, he did not try to teach her. When she asked about the Grove, he told her that, with Roke Knoll, it had stood since Segoy made the islands of the world, and that all magic was in the roots of the trees, and that they were mingled with the roots of all the forests that were or might yet be. "And sometimes the Grove is in this place," he said, "and sometimes in another.
