We're the place to get for the book. And today, your time to

obtain this specific guide as among the compromises has been ready. When the morning morrowed, the people went seeking for him, but found him not; and when the king knew this, he was perplexed concerning his affair and abode unknowing what he should do. Then he sought for a vizier to fill his room, and the king's brother said, 'I have a vizier, a sufficient man.' 'Bring him to me,' said the king. So he brought him a man, whom he set at the head of affairs; but he seized upon the kingdom and clapped the king in irons and made his brother king in his stead. The new king gave himself up to all manner of wickedness, whereat the folk murmured and his vizier said to him, 'I fear lest the Indians take the old king and restore him to the kingship and we both perish; wherefore, if we take him and cast him into the sea, we shall be at rest from him; and we will publish among the folk that he is dead.' And they agreed upon this. So they took him up and carrying him out to sea, cast him in. Then Iblis took the cup and signed to Tuhfeh to sing; and she said, 'Hearkening and obedience.' So she took the lute and tuning it, sang the following verses: When she had made an end of her song, she threw the lute from her hand and wept and lamented. Then she slept awhile and presently awaking, said, "O elder, hast thou what we may eat?" "O my lady," answered the old man, "there is the rest of the food;" but she said, "I will not eat of a thing I have left. Go down to the market and fetch us what we may eat." Quoth he, "Excuse me, O my lady; I cannot stand up, for that I am overcome with wine; but with me is the servant of the mosque, who is a sharp youth and an intelligent. I will call him, so he may buy thee that which thou desirest." "Whence hast thou this servant?" asked she; and he replied, "He is of the people of Damascus." When she heard him speak of the people of Damascus, she gave a sob, that she swooned away; and when she came to herself, she said, "Woe's me for the people of Damascus and for those who are therein! Call him, O elder, that he may do our occasions." "She hath an eye, whose glances pierce the hearts of all mankind, Nor can cornelian with her cheeks for ruddiness compare. Let destiny with loosened rein its course appointed fare, iii. 211. Had we thy coming known, we would for sacrifice Have poured thee out heart's blood or blackness of the eyes; The vizier obeyed the king's commandment and going out from before him, [returned to his own house. When it was night, he took his elder daughter and carried her up to the king; and when she came into his presence,] she wept; whereupon quoth he to her, 'What causeth thee weep? Indeed, it was thou who willedst this.' And she answered, saying, 'I weep not but for longing after my little sister; for that, since we grew up, I and she, I have never been parted from her till this day; so, if it please the king to send for her, that I may look on her and take my fill of her till the morning, this were bounty and kindness of the king.' [When the king heard his wife's words], it was as if he had been asleep and awoke; so he went forth of the harem and bade slaughter fowls and dress meats of all kinds and colours. Moreover, he assembled all his retainers and let bring sweetmeats and dessert and all that beseemeth unto kings' tables. Then he adorned his palace and despatched after El Abbas a man of the chief officers of his household, who found him coming forth of the bath, clad in a doublet of fine goats' hair and over it a Baghdadi scarf; his waist was girt with a Rustec (81) kerchief and on his head he wore a light turban of Damietta make. ef. Story of the Barber's Sixth Brother clviii.68. Haroun er Reshid and the three Poets ccclxxxvi. There was once in the land of Hind a king of illustrious station, endowed with understanding and good sense, and his name was Shah Bekht. He had a vizier, a man of worth and intelligence, prudent in counsel, conformable to him in his governance and just in his judgment; wherefore his enviers were many and many were the hypocrites, who sought in him faults and set snares for him, so that they insinuated into King Shah Bekht's eye hatred and rancour against him and sowed despite against him in his heart; and plot followed after plot, till [at last] the king was brought to arrest him and lay him in prison and confiscate his good and avoid his estate. (77). So Ishac returned to the slave-dealer and said to him, 'Harkye, Gaffer Said!' 'At thy service, O my lord,' answered the old man; and Ishac said, 'In the corridor is a cell and therein a damsel pale of colour. What is her price in money and how much dost thou ask for her?', Quoth the slave-dealer, 'She whom thou mentionest is called Tuhfet el Hemca.' (174) 'What is the meaning of El Hemca?' asked Ishac, and the old man replied, 'Her price hath been paid down an hundred times and she still saith, "Show me him who desireth to buy me;" and when I show her to him, she saith, "This fellow is not to my liking; he hath in him such and such a default." And in every one who would fain buy her she allegeth some default or other, so that none careth now to buy her and none seeketh her, for fear lest she discover some default in him.' Quoth Ishac, 'She seeketh presently to sell herself; so go thou to her and enquire of her and see her price and send her to the palace.' 'O my lord,' answered Said, 'her price is an hundred dinars, though, were she whole of this paleness that is upon her face, she would be worth a thousand; but folly and pallor have diminished her value; and behold, I will go to her and consult her of this.' So he betook himself to her, and said to her, 'Wilt thou be sold to Ishac ben Ibrahim el Mausili?' 'Yes,' answered she, and he said, 'Leave frowardness, (175) for to whom doth it happen to be in the house of Ishac the boon-companion?' (176). 'Twere fitter and better my loves that I leave, i. 26. Hastenot to that thou dost desire; for haste is still unblest, ii. 88. Shehriyar, Shehrzad and, ii. 111, iii. 141, 157. When it was the eleventh day, the viziers betook them early in the morning to the king's gate and said to him, "O king, the folk are assembled from the king's gate to the gibbet, so they may see [the execution of] the king's commandment on the youth." So the king bade fetch the prisoner and they brought him; whereupon the viziers turned to him and said to him, "O vile of origin, doth any hope of life remain with thee and lookest thou still for deliverance after this day?" "O wicked viziers," answered he, "shall a man of understanding renounce hope in God the Most High? Indeed, howsoever a man be oppressed, there cometh to him deliverance from the midst of stress and life from the midst of death, [as is shown by the case of] the prisoner and how God delivered him." "What is his story?" asked the king; and the youth answered, saying, "O king, they tell that.33. Ibrahim ben el Mehdi and the Barber-Surgeon dxxxiv.136. The History of Gherib and his Brother Agib dcxxiv. Now the folk used to go in to her and salute her and crave her prayers; and it was her wont to pray for none till he had confessed to her his sins, when she would seek pardon for him and pray for him that he might be healed, and he was straightway made whole of sickness, by permission of God the Most High. [So, when the four sick men were brought in to her,] she knew them forthright, though they knew her not, and said to them, ' Let each of you confess his sins, so I may crave pardon for him and pray for him.' And the brother said, 'As for me, I required my brother's wife of herself and she refused; whereupon despite and folly (7) prompted me and I lied against her and accused her to the townfolk of adultery; so they stoned her and slew her unjustly and unrighteously; and this is the issue of unright and falsehood and of the slaying of the [innocent] soul, whose slaughter God hath forbidden.'? ? ? ? A sun [is my love;] but his heat in mine entrails still rageth, concealed; A moon, in the hearts of the folk he riseth, and not in the sky..The king approved her speech and bestowed on her a dress of honour and gave her magnificent gifts; after which, for that his choice had fallen upon his younger son, Melik Shah, he married her with him and made him his heir apparent and caused the folk swear fealty to him. When this came to the knowledge of his brother Belehwan and he was ware that his younger brother had been preferred over him, his breast was

straitened and the affair was grievous to him and envy entered into him and rancour; but he concealed this in his heart, whilst fire raged therein because of the damsel and the kingship..All this while Meimoun's eye was upon her and presently he said to her, 'Harkye, Tuhfeh! Sing to me.' But Queen Zelzeleh cried out at him and said, 'Desist, O Meimoun. Thou sufferest not Tuhfeh to pay heed unto us.' Quoth he, 'I will have her sing to me.' And words waxed between them and Queen Zelzeleh cried out at him. Then she shook and became like unto the Jinn and taking in her hand a mace of stone, said to him, 'Out on thee! What art thou that thou shouldst bespeak us thus? By Allah, but for the king's worship and my fear of troubling the session and the festival and the mind of the Sheikh Iblis, I would assuredly beat the folly out of thy head!' When Meimoun heard these her words, he rose, with the fire issuing from his eyes, and said, 'O daughter of Imlac, what art thou that thou shouldst outrage me with the like of this talk?' 'Out on thee, O dog of the Jinn,' replied she, 'knowest thou not thy place?' So saying, she ran at him and offered to strike him with the mace, but the Sheikh Iblis arose and casting his turban on the ground, said, 'Out on thee, O Meimoun! Thou still dost with us on this wise. Wheresoever thou art present, thou troubleth our life! Canst thou not hold thy peace till thou goest forth of the festival and this bride-feast (222) be accomplished? When the circumcision is at an end and ye all return to your dwelling-places, then do as thou wilt. Out on thee, O Meimoun! Knowest thou not that Imlac is of the chiefs of the Jinn? But for my worship, thou shouldst have seen what would have betided thee of humiliation and punishment; but by reason of the festival none may speak. Indeed thou exceedest: knowest thou not that her sister Wekhimeh is doughtier than any of the Jinn? Learn to know thyself: hast thou no regard for thy life?'.How long shall I thus question my heart that's drowned in woe? iii. 42..When El Aziz had sat awhile, he summoned the mamelukes of his son El Abbas, and they were five-and-twenty in number, besides half a score slave-girls, as they were moons, five of whom the king had brought with him and other five he had left with the prince's mother. When the mamelukes came before him, he cast over each of them a mantle of green brocade and bade them mount like horses of one and the same fashion and enter Baghdad and enquire concerning their lord El Abbas. So they entered the city and passed through the [streets and] markets, and there abode in Baghdad nor old man nor boy but came forth to gaze on them and divert himself with the sight of their beauty and grace and the goodness of their aspect and of their clothes and horses, for that they were even as moons. They gave not over going till they came to the royal palace, where they halted, and the king looked at them and seeing their beauty and the goodness of their apparel and the brightness of their faces, said, "Would I knew of which of the tribes these are!" And he bade the eunuch bring him news of them..? ? ? ? ? b. The Second Calender's Story xii
