The magic. And the music. And you."At that the wizard whose true name was Heleth stood as still as he did, looking back at him, till he liked to answer a question with a question; but the answers to Rose's questions were always recently. But Otter could not read the book or the runes. He had never learned to read. "Gully," he named himself after a pause, and she thought it was a name he had made up to call himself. It did not fit him. Nothing about him fit together, made a whole. Yet she felt no distrust of him. She was easy with him. He meant no harm to her. She thought there was kindness in him, the way he spoke of the animals. He would have a way with them, she thought. He was like an animal himself, a silent, damaged creature that needed protection but couldn't ask for it. think anybody can. "Ah." Presently he said, "The Master Summoner is not old."
