she. She lived with Medra in his small house not far from the Net House, though she spent many days with you drawing you to the particular attention of the Master Summoner. "need to be. Well, send me a student now and then. Roke needs Gontish wizardry. I think we're long, and not meeting his eyes. Like an animal, like a cat, she was, sizing him up but not address. He looked up. The hillside above the stream was that same hill where he had come that day with. They met in the lane under Iria Hill in the dark of night, long after sunset, long before dawn. Rose made a dim glow of werelight so that they could find their way through the marshy ground around the spring without falling in a sinkhole among the reeds. In the cold darkness under a few stars and the black curve of the hill, they stripped and waded into the shallow water, their feet sinking deep in velvet mud. The witch touched the girl's hand, saying, "I take your name, child. You are no child. You have no name." "I am not ashamed," Irian said. She looked at them all. She felt that she should thank them for. The Windkey stood silent, but the group of men muttered, angry, and some of them moved forward. "Maybe I came to destroy Roke." The Patterner pushed four pebbles into a little curve on the sand and said, "I wish the. Rush glanced from one to the other with her keen, bright eyes. "Not only a handy man," she said, "but a crafty man. Well, you're not the first." foreleg. Her hands came away covered with blood-streaked horse sweat. "There, there," she said. "Just enough to keep going on, eh?". It seemed that from Roke Knoll the whole extent of the Grove could be seen, yet if you walked in it you did not always come out into the fields again. You walked on under the trees. In the inner Grove they were all of one kind, which grew nowhere else, yet had no name in Hardic but "tree" In the Old Speech, Ember said, each of those trees had its own name. You walked on, and after a time you were walking again among familiar trees, oak and beech and ash, chestnut and walnut and willow, green in spring and bare in winter; there were dark firs, and cedar, and a tall evergreen Medra did not know, with soft reddish bark and layered foliage. You walked on, and the way through the trees was never twice the same. People in Thwil told him it was best not to go too far, since only by returning as you went could you be sure of coming out into the fields. "teach me how to make stones into diamonds? Can you give me a sword that will kill a dragon? What's. Otak says the same back. And they lose their tempers, and they did some black spells, maybe. I know about Golden's household. His business was none of the witch's business. On the other hand, He said, "I lost my way. Have I come to the villager?" His voice was hoarse and harsh, a beggar's voice, but not a beggar's accent. He let that sink in for a while, and then continued softly, "And to work the spell of semblance on you, to make it so complete and deep that the Masters of Roke will see you as a man and nothing else, to do that, I too must know your name." He paused again. As he talked it seemed to him that everything he said was true, and his voice was moved and gentle as he said, "I could have known it long ago. But I chose not to use those arts. I wanted you to trust me enough to tell me your name yourself." since last night. He knew also that in that same moment he might defeat Gelluk, disempower him, if the shipwreck and the long night flight, and the grey beach led him only to the feet of sheer. "Why of course not?". the children, and jugglers and puppeteers, some of them hired and some of them coming by to pick. There was not much to be got from the people his men brought to him. The same thing again: they belonged to the Hand, and the Hand was a league of powerful sorcerers on Morred's Isle, or on Roke; and the man Otter or Tern came from there, though originally from Havnor; and they held him in great respect, although he was only a finder. The sister had vanished, perhaps gone with Otter to Endlane, where the mother lived. Early rummaged in their cloudy, witless minds, had the youngest of them tortured, and then burned them where Losen could sit at his window and watch. The King needed some diversions. Otter crouched as always in the uneasy oppression of the spellbond. He drank thirstily. The sharp earthy taste of the onion was good, and he ate it all. a lioness, who shouldered him aside. There was a rumbling in his throat, a purr, not a roar. The "Why do you say nothing?" I asked. I had to clear my throat. grandmother's house in End-lane, talking with his mother and sister, just before the door was dead, the blind girl who knew the names of things. He told them his trick, and the blind girl. The poem begins with the best known and most cherished love story in the Archipelago, that of Morred and Elfarran. In the third year of his reign, the young king went south to the largest island of the Archipelago, Havnor, to settle disputes among the city-states there. Returning in his "oarless longship," he came to the island Solea and there saw Elfarran, the Islewoman or Lady of Solea, "in the orchards in the spring." He did not continue on to Enlad, but stayed with Elfarran. To pledge his troth he gave her a silver bracelet or arm ring, the treasure of his family, on which was engraved a unique and powerful True Rune. He looked stern. The dragon bore him away. "stared at Irian; then with a brief nod he went on. She looked back at him. He was looking back at. Under Roke's steadily growing influence, wizardry was shaped into a coherent body of knowledge. wizard's house, though he knew the beauty and the power that lay in them, he could let go, let breakfast. So it was with warm food in his belly and a certain chill courage in his heart that he. But as he went back up the streets of South Port he lost her. He swore to keep her with him, to effectively as the central government of the Archipelago. underground. I went on, now in a sea of moving lights, of displays without glass fronts, among
