That is of just how your readers can be influenced by mcdougal outside of each theory coded in your 21, probably the outcomes. And this ebook is had to browse through, sometimes detail by detail, it could be ideal for your own life and you. His story troubled the Sultan's deputy and he was sore enraged against him; so he drew his sword and smiting him, cut off his head; whereupon one recited the following verses: .? ? ? ? ? b. The Second Old Man's Story vi. ? ? ? ? ? If in night's blackness thou hast plunged into the desert's

heart And hast denied thine eyes the taste of sleep and its delight, . . . Yea, and how slaves and steeds and good and virgin girls Were proffered thee to gift, thou hast not failed to cite, . . . Now a party of the troops had banded themselves together for Belehwan; so they sent to him and bringing him privily, went in to the little Melik Shah and seized him and seated his uncle Belehwan on the throne of the kingship. Then they proclaimed him king and did homage to him all, saying, 'Verily, we desire thee and deliver to thee the throne of the kingship; but we wish of thee that thou slay not thy brother's son, for that on our consciences are the oaths we swore to his father and grandfather and the covenants we made with them.' So Belehwan granted them this and imprisoned the boy in an underground dungeon and straitened him. Presently, the heavy news reached his mother and this was grievous to her; but she could not speak and committed her affair to God the Most High, daring not name this to King Caesar her husband, lest she should make her uncle King Suleiman Shah a liar. . . . ec. Story of the Barber's Third Brother clvii. With this the king's wrath subsided and he said, "Restore him to the prison till the morrow, so we may look into his affair." . . . Whenas he runs, his feet still show like wings, (140) and for the wind When was a rider found, except King Solomon it were? (141). And the king bade him depart to his own house. . . . c. The Jewish Physician's Story xxviii. When the king heard this from the vizier, he bade him go away [and he withdrew to his house]. Presently, El Abbas, son of King El Aziz, lord of the land of Yemen and Zebidoun (55) and Mecca (which God increase in honour and brightness and beauty!), heard of her; and he was of the great ones of Mecca and the Hejaz (56) and was a youth without hair on his cheeks. So he presented himself one day in his father's sitting-chamber, (57) whereupon the folk made way for him and the king seated him on a chair of red gold, set with pearls and jewels. The prince sat, with his head bowed to the ground, and spoke not to any; whereby his father knew that his breast was straitened and bade the boon-companions and men of wit relate marvellous histories, such as beseem the assemblies of kings; nor was there one of them but spoke forth the goodliest of that which was with him; but El Abbas still abode with his head bowed down. Then the king bade his session-mates withdraw, and when the chamber was void, he looked at his son and said to him, "By Allah, thou rejoicest me with thy coming in to me and chagrimest me for that thou payest no heed to any of the session-mates nor of the boon-companions. What is the cause of this?". Then there reigned after them an understanding king, who was just, keen-witted and accomplished and loved stories, especially those which chronicle the doings of kings and sultans, and he found [in the treasuries of the kings who had foregone him] these marvellous and rare and delightful stories, [written] in the thirty volumes aforesaid. So he read in them a first book and a second and a third and [so on] to the last of them, and each book pleased him more than that which forewent it, till he came to the end of them. Then he marvelled at that which he had read [therein] of stories and discourse and witty traits and anecdotes and moral instances and reminiscences and bade the folk copy them and publish them in all lands and climes; wherefore their report was bruited abroad and the people named them "The marvels and rarities of the Thousand Nights and One Night." This is all that hath come down to us of [the history of] this book, and God is All-Knowing. (196). Then they drew up the contract of marriage and the merchant said, "I desire to go in to her this night." So they carried her to him in procession that very night, and he prayed the prayer of eventide and entered the privy chamber prepared for him; but, when he lifted the veil from the face of the bride and looked, he saw a foul face and a blameworthy aspect; yea, he beheld somewhat the like whereof may God not show thee! loathly, dispensing from description, inasmuch as there were reckoned in her all legal defects. (259) So he repented, whenas repentance availed him not, and knew that the girl had cheated him. However, he lay with the bride, against his will, and abode that night sore troubled in mind, as he were in the prison of Ed Dilem. (260) Hardly had the day dawned when he arose from her and betaking himself to one of the baths, dozed there awhile, after which he made the ablution of defilement (261) and washed his clothes. Then he went out to the coffee-house and drank a cup of coffee; after which he returned to his shop and opening the door, sat down, with discomfiture and chagrin written on his face. . . . 16. The Fox and the Crow cl. . . . Be gracious, so our gladness may be fulfilled with wine And we of our beloved have easance, without fear. . . . Then he wrote a letter to King Azadbekht, saying to him, "I am a servant of thy servants and a slave of thy slaves and my daughter is a handmaid at thy service, and may God the Most High prolong thy days and appoint thy times [to be] in delight and contentment! Indeed, I still went girded of the waist in thy service and in caring for the preservation of thy dominion and warding off thine enemies from thee; but now I abound yet more than before in zeal and watchfulness, for that I have taken this to charge upon myself, since my daughter is become thy wife." And he despatched a messenger to the king with the letter and a present. . . . Ask mine eyes whether slumber hath lit on their lids since the hour of your loss Or if aye on a lover they've looked. Nay, an ye believe not their tale, . . . Abou Temam, Story of Ilan Shah and, i. 126. . . . When the king heard this, wonderment gat hold of him and his admiration for the vizier redoubled; so he bade him go to his house and return to him [on the morrow], according to his wont. Accordingly, the vizier withdrew to his lodging, where he passed the night and the ensuing day. . . . Woman (The Old) and the Draper's Wife, ii. 55. . . . "Knoweth my loved one when I see her at the lattice high Shine as the sun that flameth forth in heaven's blue demesne?". Presently, up came the Khalif and the Lady Zubeideh and Mesrou and the old woman and entering, found Aboulhusn and his wife both stretched out [apparently] dead; which when the Lady Zubeideh saw, she wept and said, "They ceased not to bring [ill] news of my slave-girl, till she died; methinketh Aboulhusn's death was grievous to her and that she died after him." (39). Quoth the Khalif, "Thou shalt not forestall me with talk and prate. She certainly died before Aboulhusn, for he came to me with his clothes torn and his beard plucked out, beating his breast with two bricks, and I gave him a hundred dinars and a piece of silk and said to him, 'Go, carry her forth [and bury her] and I will give thee a concubine other than she and handsomer, and she shall be in stead of her.' But it would appear that her death was no light matter to him and he died after her; (40) so it is I who have beaten thee and gotten thy stake." . . . 102. The Apples of Paradise ccccxii. When the king heard his vizier's story, he was assured that he would not slay him and said, "I will have patience with him, so I may get of him the story of the rich man and his wasteful heir." And he bade him depart to his own house.
